

# ISER 2023

*Meilia Chiang Mai, Thailand*

26th to 30th November 2023

## Call For Papers

### ISER 2023

Welcome to the 18th International Symposium on Experimental Robotics (ISER 2023) which will be held in Chiang Mai, Thailand from 26th to 30th November 2023. Please submit papers with focus on validation of robotics theory and principles by physical experiments or new experimental paradigms and designs that facilitate theoretical advances. We invite you to submit papers to share your recent research.

submissions should be in six-page extended abstract (PDF format). Templates for MS Word and LaTeX can be found on the website. Extended abstracts are due on 7 July 2023 via **PaperPlaza**. We are looking forward to your submissions.

### Important Deadlines

Extended abstracts: **7 July 2023**

Multimedia attachments: **14 July 2023**

Accept/Reject decisions: **25 August 2023**

Final full paper submission: **6 October 2023**
